WOMEN OF THE CHURCH SEND LOVE GIFT

Rumple Hall and Howard Cottage To Get New Furniture

January brought good news from the Women of the Church in the Synod of North Carolina. For many months the campus had been eagerly awaiting the report from the Love Gift which was being made to Barium Springs, especially the residents of Rumple Hall and Howard Cottage, for these two buildings were to be the first to receive the benefits of this gift. The goal had been set for $25,000.00, but the Women of the Church in their usual fashion exceeded their goal and gave over $27,000.00. What a magnificent thing this is — out of the love in their hearts, they make this investment at Barium Springs.

What a thrill for the girls in these two buildnigs to look forward to good beds with springs and mattresses which are comfortable and dressers with mirrors to replace the old ones propped up in the corners! Some of the furniture when moved actually had to be carried out in pieces because it fell apart before it could be gotten out of the building. Good quality merchandise has been bought at the lowest price available and the rooms are now beginning to look like they should. The girls had to get used to their new beds; the old ones had swaying springs and their mattresses dipped in the middle and there was no chance to roll out of the bed. The new ones rounded across the top caused some excitement when some of the folks in their accustomed manner of being in a hammock-like bed, rolled off of the top of the new ones.

The purchasing will continue and the bedrooms of Rumple Hall and the bedrooms and living-room of Howard Cottage and the two new living-rooms which have not yet been furnished will now be made livable and attractive for the children. What a difference it will be to have a nice new dresser to use instead of kneeling on the floor to place things in a box against the side of a wall. Plans are also underway to secure some pictures for the walls of all the cottages if there is enough money to do so. It is not a wholesome feeling to enter a building and find not a picture hanging on the wall of the hall, living-room or in the children's rooms. One of the graces for home-like living is pictures hanging in the house. To that end, the administration is working hard to see that the living-rooms and bedrooms are made attractive.

All the children of these cottages, the youngest to the oldest, will long remember the change that has taken place in their living quarters and how it came about. To the Women of the Synod of North Carolina the whole Home would send its deepest appreciation for this Love Gift to Barium Springs.

AN OPEN LETTER TO LOUISE

Dear Louise:

Not long ago in a letter to Miss Rebekah Carpenter, the caseworker, you said "My picture was in the Winston-Salem paper one evening as one of the new teachers. Sidney Bost who took the picture sent me two glossy prints. I would like for you to have one for your bulletin board (on which I used to dream of getting my picture)." Not only will your picture be on the bulletin board in Miss Carpenter's office, but mailed out now to approximately twenty-five thousand other people.

As we look at the picture, what fond recollections we have of your days at Barium Springs. The chubby little girl who was the youngest of three sisters made her way from cottage to cottage until she became one of the big girls and then made an excellent Big Sister for the little boys at Synod's Cottage. I am sure that you recall the many things which took place on this campus between 1940 when you entered Barium and 1954 when you graduated. How proud we were of you as you went down the aisle as a member of the senior class at graduation.

We hated to see you leave the campus and yet we were delighted to see you enrolled at Montreat College. Your record there was a good one and another day of thrill and excitement was the graduation in 1958. We were proud of the work you had done and for the field in which you had prepared yourself to render service.

Sometimes things which seem rather small have a very large meaning. Miss Carpenter and I still remark on the fact that after you had used the linens, blankets and towels during college that you then had them carefully laundered, neatly wrapped in a package and returned to the Home. Just as you had been dependable while at Barium Springs, you continued your good ways and further showed the fine traits of character that make up your disposition.

Now, you are a school teacher. How different things look in the schoolroom from what they did when you were

New Scout Program Proving Successful

In the Fall of 1958 the boys of the Home interested in Scouting were enrolled in Scout Troops in Statesville. Twenty-two boys joined four different troops. The Scoutmasters of these four troops had expressed their willingness to have additional members brought in, and so the Barium boys became a part of the regular Scouting program within the established troops in the churches in Statesville. This affords these boys a good Scouting program with a group of boys other than the ones whom they see all day long every day. Thus far the Scout Council and the Scoutmasters have felt this to be a fine precedure and the boys at Barium Springs are quite delighted with the opportunity of being a part of the various troops.

During the Christmas holidays, many people sent Christmas money for Scout uniforms. Mr. C. G. Steele who is in charge of this part of the Home's work and who arranges for the boys' transportation and Scouting needs announces that twenty have passed the second-class rank and are now ready for the Scout uniform which has been promised them. It is hoped that this entire program may be continued and enlarged and that all the boys of the Home who are interested in Scouting can be fully equipped and take a regular and normal part in a community activity.

UNDER THE STEEPLE

By Rev. Hugh B. Carter, Jr.

There was considerable coming and going under the steeple during the year 1958, more going in fact than coming. In addition to the going of the former minister on January 1st and the coming of the new minister on June 29, there were 87 dismissals and 14 accessions between January 1 and December 31. We lost one member by death, 25 by transfer of letter and 61 were placed on the retired roll. This means that there are now 107 members of Little Joe's Church who have long since left this community and are living elsewhere without identifying themselves with the Church in the community where they now reside. With this report goes an earnest plea from the minister to all who read this column beyond the environs of Barium Springs to consider their obligation and privilege as citizens of the kingdom; and to reconsider their loyalty to the Church of Jesus Christ in the community where they live; become active members in your local church. All who request transfers of letter will be dismissed from Little Joe's Church in good standing and commended to the fellowship of the church of their choosing. To offset our losses last year, we received 14 new members, 13 by certificate and one on profession of faith, giving us a total active membership of 205. Your minister delved into the archives in a recent trip to the library of Union Theological Seminary and read with interest from the Minutes of Concord Presbytery in the year 1908 where the organization of Little Joe's Church is recorded. He copied down the names of 67 charter members who were received on profession of faith (62 were baptized that Sunday, May 10, 1908) and the names of 52 more persons who were received as charter members by certificate (47 came from the Presbyterian Church at Troutman) —making a total of 119 Charter Members. Two elders were elected, John W. Clark and W. B. Parks, along with two deacons: George M. Young and Walter Bailey. The first minister was the Reverend W. M. Walsh, who is now associate minister at the First Presbyterian Church in Charlotte. The first superintendent of the Sunday School was John Wakefield. It is significant that the total number of communicants reported in the year 1914 was 204—just one less than the number reported last year. This means that Little Joe's Church is a "producer" church, sending out approximately as many members as we receive year after year. Our primary function is to gather and train and teach and nourish young lives in the Christian Faith, and to send out young men and women to be leaders of churches in the towns and cities and wherever they may go from here.

Still speaking of the membership of the church, it is good to report that on the first Sunday in January this year, 15 new members were added by profession of faith in Jesus Christ: Kenneth Brewer, Karen Crews, Robert Grier, Everett Heritage, Joyce Ann Hughes, Dwight Lefler, Larry Joyner, Clyde Mace, Walter Snead, Mary Tyndall, Kenneth Utsman, Leon Waters, Arthur Weincken, Abner Wilkins, and Larry Wilkins. Glenn Houck was added by certificate from the Presbyterian Church at Matthews, N. C. Since the first of the year we have dismissed Carol Harwell to the Presbyterian Church at Butner, N. C. and Mrs. Joyce Ferrell Burris has been transferred to the rolls of the West Avenue Presbyterian Church in Charlotte.

The Senior High Fellowship, under their new adviser, Terrell Hall, celebrated Assembly's Youth Sunday by conducting the morning worship while the minister joined his family in the congregation. Talks were made by President Dickie McKenzie, Vickie Brafford, Jim Bunnell, Richard Blackburn, Jean Murdoch, and Jackie Taylor. Julia Clendinin played the organ while Graham Blake, Shirley Faulk, Donna Edmisten, Patsy Ross, Randy Shaw, and Martha Trivette led various parts of the worship service. The theme of the service was "Witnessing For Christ" and the speakers chose different phases of life to illustrate how a personal witness could be made.

The Pioneers under their new leader, Mrs. J. W. Crews, are making plans to entertain their friends from the First Presbyterian Church in Statesville, and are looking forward to a Conclave in April with other Pioneers of the Presbytery.

Be sure to read the new bulletin boards next time you are under the steeple, and remember, wherever you are, to read the Bible daily. "And you shall be my witnesses . . . to the end of the earth."

Annual Physical Exams Conducted By Doctors

During the month of January the annual physical examinations were conducted for every child on the campus. Doctors Lafferty and Sinclair had only a few minor recommendations for follow-ups subsequent to the examinations. Dr. W. T. MacLauchlin who has been rendering this service to the Home for more than ten years was unable to arrange his schedule for the trip to Barium this year. In his place came Dr. Carter Sinclair. He, with Dr. John Lafferty who has been coming for nearly ten years, declared after the day was over that the health of the boys and girls was much above the average of any similar group which they had seen or known. Each year these doctors comment particularly on the dental work that is being done, saying that they see very few who have work equal to this and none superior to the quality of the dental work being done for the boys and girls at the Home.

a little girl and going to school. Your grand sense of humor will help you in many situations. Your willingness to work hard will also come in good. There will come a time when these two together will be insufficient and within yourself you will not be able to find strength, but as always you will turn to Him who affords the strength. I am sure that the boys and girls who come under your care will catch from you a genuine sense of the presence of the Master.

Come to see us often. You will find your picture on the bulletin board and we will be delighted in seeing you here in person.

Most sincerely yours,

COTTAGE NEWS
Rumple Hall

Since you have heard from us a lot has happened. First, we want to tell you about our new beds and dressers which we are thoroughly enjoying. They are beautiful and we would like to take this opportunity to tell the Women of the Synod of North Carolina how much we appreciate the furniture. Our rooms look much better and, oh, how good we can sleep now! Miss Sims does not have any trouble getting us in bed now—to tell the truth, she has to keep us out of them when it is not bedtime. You would understand the pleasure we have in these new beds and dressers if you could have seen those we had before we got the new ones. Thank you again, everyone, especially the women who had this as their project.

Just two weeks after we received our new furniture, Christmas was here, so really it seemed like Santa began two weeks early at our cottage. We were already so

(Continued on Page 3)

COTTAGE NEWS

(Continued from Page 2)

excited over the new furniture, then Christmas Day brought even more excitement. Each of us had a wonderful Christmas and Santa was so good to each of us. We received so many nice, pretty and useful gifts.

Nancy Joyner was the only one in our cottage who had a birthday in January. Now that February is just about here, we have two girls who will be celebrating birthdays real soon; Joyce Ann Hughes on February 8th and Sue Bush on February 28th. Happy Birthday, girls!

Several weeks ago when Mr. Carter was teaching a Communicant's Class, we had one girl to join the Church. She is Joyce Ann Hughes.

Now, for our basketball. Although we have lost several games, our boys and girls have worked real hard. Keep up the good work, team, and we will keep fighting for you.

This news is not so good for several of us this time. Yes, report cards! We only had three who made the Honor Roll this time. They are: Mary Ann McBennett, Nancy Finley, and Lou Anna Bridgers. Keep up the good work, girls! The rest of us will try to do better next time.

See you next month.

The Rumple Hall Girls

South Cottage

Hi Friends —

It is news time again. Everyone in our cottage had a big Christmas and all of us got what we wanted most.

Our boys are doing fairly well in basketball. We have won the majority of the games we have played so far. We are having a lot of competition.

We have two birthdays in February—Ronald Brown on February 8th and Charles McLean on February 13th.

A new dam is being built on Barium property in addition to the one completed in November, 1958. The new one wil be behind the dairy and will be much bigger than the other one. The workmen have just started clearing the land.

A/3C Harold Evans, 1958 graduate at Barium Springs, is now stationed at Lowry Air Force Base, Denver, Colorado. Harold was on leave recently and spent some time at Barium. He writes often and sends pictures of scenic places in Colorado. Harold has been in the Air Force almost a year now.

We were glad to have Tom Finley and Melvin McKenzie home during the semester break. Both are students at Davidson.

So long until next month.

Ronald Brown and the Boys of South Cottage

North Cottage

Hi Folks —

We decided to take time out from our busy schedule to let you hear from us.

We surely had a fine Christmas. Mrs. Ellis gave the high school girls in our cottage a real nice Sock-Hop party—at least, that is what we called it.

We had several girls to make the Varsity basketball team this year—three freshmen: Patsy Ross, Patsy Porter, and Wilma Bush, and two sophomores: Marcie Lewis and Virginia Kiser. These girls have surely been working hard. On this Tuesday night we play Davie County at Barium and on Friday night we play Lexington at Barium. Wish us luck!

January 25th was Youth Sunday and lots of the members of the Senior High Fellowship took part in this program and they did a very good job.

We have two birthdays this month — Mae Jolly's on February 10th and Peggy McDonald's on the 15th. We wish both of them a happy birthday. We have two girls in our cottage going out for the Junior Varsity team. They are Pamela Fair and Judy Shaw. We wish them the best of luck.

Our high school girls surely did have to do some studying on their mid-term exams, but most of them made right good grades.

Well, that is about all of the latest news—we hope to see you again next month.
